ADA Specialties provides home accessibility solutions to help keep seniors and the disabled safe in their own homes. We provide renovations to homes with superior products and services and also want our customer's experience with ADA Specialties to be one of compassion and understanding; fulfilling needs beyond what could have

been envisioned independently. ADA Specialties can provide ADA compliance for bathrooms, ramps, grab bars, room additions, toilets, etc

ADA Specialties serves the Greater Roanoke Valley, the New River Valley, and surrounding areas. We provide free, in-home consultations, and written estimates.
