**Event Description** 

Get a Good Start on your Parkinson's diagnosis with APDA Virginia!

Good Start Richmond is providing a two-part virtual program for the newly diagnosed on Tuesday, May 7, 2024 and Tuesday, May 24, 2024. Instruction will be from 5:30 pm until 7 pm.

- Session 1: What is Parkinson's Disease? the Pathology Medications, and Treatment Options for Parkinson's
- Session 2: Introduction to the Healthcare Team; the Role and Importance of Exercise.

Join our experts to discuss:

- Diagnosis
- Medication and management
- Treatment options
- Any other questions you may have

Sponsored by the American Parkinson's Disease Association (APDA) and the VCU Parkinson's and Movement Disorder Center (PMDC)
