The doctors of Charlottesville Gastroenterology Associates (CGA) practice offer diagnosis and treatment services in digestive and liver disorders. This includes peptic ulcer disease, esophageal problems, gallbladder disease, inflammatory bowel disease, viral hepatitis, cancers of the esophagus, stomach, colon and pancreas, colon cancer screening, cirrhosis, hemorrhoids and fissures. Procedures include upper endoscopy, colonoscopy, flexible sigmoidoscopy, ERCP, argon plasma coagulation for vascular tumors and flat polyps, motility testing, enteral feeding tubes, anorectal biofeedback training and liver biopsy.

The Digestive Care Center at CGA may be reached through the Main Office number at (434) 817-8484

The practice is affiliated with Martha Jefferson Hospital and accredited by the Accreditation Association for Ambulatory Health Care (AAAHC).
