SeniorAdvocateOnline.com provides a web search capability of senior services in the Peninsula, Middle Peninsula, Northern Neck and Southeastern Virginia. Information can be found about a variety of housing options, home care, and many other professional services that cater to seniors. On the website, searches are set up by selecting a Provider, Region, Date and/or Service from drop down boxes. Educational materials are also posted that are of interest to seniors, caregivers, and professional service providers.

Senior Advocate also publishes a semiannual publication, "Senior Advocate Magazine", in January and July. The magazine is available through advertisers, sponsors and many grocery stores throughout the region.
