Neighborhood Watch program - contact Neighborhood Watch coordinator, Lieutenant Andrew Terrill at 540-829-5521 to establish a Neighborhood Watch in your neighborhood or to learn of an existing watch. The National Neighborhood Watch is a program sponsored by the National Sheriff's Association and supported by local law enforcement agencies to reduce crime and to make America's neighborhoods safe.

The purpose is to make you aware of the steps you can take to make your home more secure against crime, to show how you and neighbors can help each other protect the entire neighborhood, and to make law enforcement agencies more effective in the fight against crime. By watching over the neighborhood and reporting suspicious and criminal activity, citizens can help their law enforcement agencies effectively reduce crime.
