Heritage Hall of Laurel Meadows provides registered nursing care with full range of support services. Capacity is 60 beds. The care team, along with the assistance and support of the family, develops an individualized care plan tailored to meet the specific needs of each resident. Specialized resident care, looking after the special needs of Alzheimer's patients is also available. Recovery care is provided, as well as intermediate nursing care and advanced medical care.

We also offer varied resident care programs. American HealthCare provides intermediate care in a traditional nursing home setting, or respite care to take care of a loved one on a short-term basis.
