Medical Equipment Supplier Directory provides contact information for suppliers that provide services or products under the Medicare program. A supplier can be an individual or entity that has agreed to provide healthcare equipment, items, or services under Medicare. A supplier may provide durable medical equipment, such as wheelchairs, walkers, oxygen, sleep apnea and respiratory devices, prosthetics, such as artificial limb replacements or dentures, or orthotics, which include mechanical devices used to assist mobility or supplement the joints and limbs. In addition, a type of supplier can be a pharmacy or drug store providing diabetic or nebulizer supplies. This supplier directory lists Medicare-enrolled pharmacies and suppliers. An updated directory can be found in the Supplier Directory.
