Grant funds and low-interest loans are available to improve low-to-moderate income homes in Hampton and make them safer and more accessible.

Exterior Improvement Loan Program -HRHA offers grants for residents of the City of Hampton to make improvements to their principal residence. The program enables residents to bring their home up to minimum property maintenance code standards. Loan amounts range from a minimum of \$1,000 to a maximum of \$10,000. Eligibility for the loan is based on household income and other criteria.

Energy Efficiency Program - This program assists homeowners by reducing their heating/cooling costs and improving the safety of their homes through energy efficiency measures. The energy efficiency measures performed through the program include, but are not limited to, air sealing, wall and ceiling insulation, heating and air system improvements or replacement, efficiency improvements in electrical system, hot water tank and pipe insulation. Loan amounts range from a minimum of \$1,000 to a maximum of \$25,000. Eligibility for the loan is based on household income and other criteria.

Wheelchair Ramp program - Grants for non-ambulatory Hampton residents that are in need of a wheelchair ramp. The grant covers the cost of materials to build the ramp on the recipient's primary residence. Grant recipients may hire a Virginia licensed and insured contractor of their choice to construct the ramp or receive volunteer labor by registering on a waiting list. [See More](#)

Emergency Grant - offers an emergency grant to help residents make home repairs to correct an urgent health or safety concern due to a natural disaster. Examples include significant roof repairs, heating system failure, and inoperable water heaters. The maximum loan is \$10,000 and the applicant must qualify based on income and other criteria.
