Fluvanna County Sheriff's office participates in TRIAD. TRIAD is a crime prevention program for seniors. It is a cooperative effort of law enforcement agencies (police/fire/sheriff), senior citizens, and senior organizations, focused on reducing crimes against our most vulnerable citizens: our seniors. The goal of TRIAD is to reduce the fear of crime and victimization among seniors by increasing awareness of scams and frauds targeting them, strengthening communication between the law enforcement and senior communities, and educating seniors on local and state resources that are available in their community. Find more information about [TRIAD](#) at the website.
