Prince William Area Agency on Aging offers information and referral services for the aging population staffed by Certified Information and Referral Specialists.

Services are designed to support older adults and their caregivers in assessing their needs, identifying the most appropriate services to meet their needs and linking them to the agencies providing needed services on the local, state and national level. The objectives of information and referral/assistance are to enable older adults to locate and use services and resources, which promote their well-being, independence, and self-determination, and to protect their interests and rights. In addition, information and assistance services are available to anyone seeking information about caregiving or aging issues.
