Bridgewater Nursing Home offers long-term nursing care. Each nursing household houses approximately twenty residents with a 10:1 resident to Certified Nurse Assistant ratio, plus a charge nurse, clinical coordinator, and more.

A multidisciplinary team of healthcare professionals will develop a personalized care plan for each resident. The long-term care program provides regular activities, selective menus with specialized diets, a resident beauty salon, barber services, medication management, and an on-campus chapel and chaplain. Restorative care, speech, and hearing therapies are also available.

Short-term respite care is available for people who require nursing care as long as space is available.
