Dailey's Health Care offers personal care services.

Post-surgical personal care can be provided to individuals who are recovering at home after surgery. Assistance with daily activities (eating, bathing, toileting, and walking). Whether you are recovering from major surgery, childbirth, or plastic surgery, caregivers can assist you during your recovery. Live in services and private duty services may be available.

Care can be provided for individuals with dementia, arthritis, physical disabilities or other age-related conditions.

Staff is insured and bonded.
