Westminster Canterbury of the Blue Ridge offers residential and assisted living memory care to residents with dementia or Alzheimer's disease. The memory care program is part of the Life Plan community or continuing care retirement community. Care includes assistance with activities of daily living in a safe and self-contained, secure environment for individuals with cognitive impairments.

Essential services and amenities include:

- private rooms
- dining space
- art and music therapy
- secure garden
- day and evening activity programming
- and more

Alzheimer's respite care is also available.
