The Springboard Group offers independent guidance and planning through life transitions (divorce, death of a loved one, job loss or other major life transitions). The Group provides a referral network of advisors to help with legal and financial matters, coping with stress or grief, and decision making. Springboard Market Place offers memberships, workshops and teleclasses, gifts, recommended books and products.

Annual Membership includes newsletters, monthly self-study program, support group (blog), tuition-free teleclasses and e-courses, articles and reports to facilitate sound decision-making. For members that need more help or guidance, we offer transition planning and personal coordination.
