Dependable Home Care provides personal care to clients who prefer to stay in the comfort of their own homes under the supervision of a trained professional. Care is also provided to individuals with disabilities who have lost function due to the aging process, illness or injury.

Services can include assistance with activities of daily living such as bathing, grooming, meal preparation, light housekeeping, shopping/errands, medication reminders, mobility, laundry, companionship and respite care.

Free in-home assessment. Care can be provided for as little as 1 hour per day up to 24 hours per day.
