Lancaster/Northumberland Habitat for Humanity is a volunteer-driven organization. We welcome people from all walks of life to join us as we build simple, decent, affordable houses in partnership with God and families in need.

Though the vast majority have no construction experience or building skills, volunteers are involved in most phases of construction. By working side-by-side with the family who will live in the house, our volunteers experience the joy created when a family can realize their dream of home ownership.
