Southside Outreach Group offers the Indoor Plumbing Rehabilitation program. The program is designed to assist individuals who lack a bathroom or have inadequate plumbing. The individual must own the home; must meet income eligibility requirements; must be living in the house; and must meet the requirements of a house lacking a bathroom certification provided by the Virginia Department of Housing and Community Development.

Southside Outreach Group is certified by the Virginia Department of Housing and Community Development (DHCD). Our mission is to assist income eligible persons in obtaining affordable, safe, decent and sanitary housing.
