Care Advantage, Franklin, offers respite care while caregivers are on vacation, away on business, or when they just need a break. Respite care includes companionship, meal preparation, telephone reassurance, medication reminders, laundry, housekeeping assistance, errands, transportation, and assistance with bathing and dressing.

They tailor-make each care plan to suit the needs of each individual and family. Services are provided to individuals with a multitude of diagnoses and conditions. Their caregivers are trained to help your loved one with their specific diagnosis or condition. Caregiver services can also be provided in the hospital, nursing homes, assisted living facilities, and more. They have caregivers that can speak a language to suit your needs.

The service area includes Isle of Wight, Southampton, Franklin City, and the surrounding area. They have offices across the state of Virginia that service areas from the mountains in Roanoke to the beaches in Chesapeake to the south in Emporia and the surrounding counties. Call and they can put you in contact with the right office for your service area.

If you happen to have a problem, concern, question, or just want to talk about their services, you can contact them by calling the office, sending an email, sending a letter, stopping at the office or there is an evaluation form on our website at www.CareAdvantageInc.com.
