The Senior Advocate's office offers a volunteer-based telephone program to check on the well being of older adults in Chesterfield County. Volunteers verify the well being of isolated or disabled adults through daily or weekly telephone calls. This initiative enables volunteers to verify the well-being of county adults who are disabled, live alone or feel isolated. The volunteers, who have been screened and trained, call program participants daily or weekly. Respite calls are also available upon request.

The call is placed between 10:00 am until 12:00 pm on Monday, Wednesday and Thursday and between 12:00 pm and 2:00 pm on Tuesdays.

Call the office to benefit from this program or to become a volunteer.
