Housing Partnerships offer volunteer opportunities. Volunteers are needed to help provide housing repair services to very low-income individuals and families who cannot help themselves due to sickness, disability, or lack of financial resources.

As a volunteer, you will have the opportunity to impact someone's life in a few hours. Volunteers are welcome as project leaders, laborers, photographer to document projects, database management, writing draft articles, telephone answering, filing, typing, accounting, and more.

Please let us know if you are interested in serving your community by contributing your time as a volunteer.
