Hampton Roads Eye Associates is an expanded team of eye doctors, cataract doctors, glaucoma doctors, retina doctors, ophthalmologists, optometrists, technicians, assistants, and opticians providing the most comprehensive eye care. Services include vision assessment, diagnosis and treatment, including eye surgery. Some of the treatments offered are for cataract, age-related macular degeneration, glaucoma, diabetic retinopathy, lazy eye, crossed eye and other low vision services. Refractive eye surgery includes several surgical procedures designed to eliminate or reduce the need for glasses or contact lenses. These procedures correct refractive errors by changing the focus of the eye.

Hiddenwood Optical Shop provides complete optical services for patients and non-patients include frames, eyeglass lenses and contact lenses.
