Blessed Healthcare Professionals offers companion care services. Staff provides companion care and homemaker services. Companions provide support and supervision, including friendly conversation and participation in recreational activities; assistance with phone calls and correspondence; assistance with maintaining medication schedules; transportation to physicians, shopping or recreation; supervision of dressing and bathing; assistance with general mobility; meal preparation, planning and shopping; light housekeeping; and laundry.

Live-in companions are available to stay or live in your home 24 hours a day to take care of your home care needs. This service combines companion, homemaker and personal care services.

Homemaker services provide, in addition to the companion services, vacuuming, dusting, mopping floors, bathroom cleaning, counter top cleaning, changing linens and household organization and upkeep.
