LensCrafters is proud to support OneSight®, non-profit, 501 (c)(3) family of charitable vision care programs dedicated to restoring and preserving clear vision for all those in need.

Through OneSight, our LensCrafters associates and doctors have the opportunity to share our business expertise by traveling to developing countries and to inner cities and rural communities across North America to provide free eye exams and glasses

to those in need.

Client would need to bring a current prescription for eye wear from their Doctor and the referring agency must fax a request.
