Vacation, recovery, and respite stays are available, and can be designed to meet your needs for as little as two days or for as long as a month. The program affords family members the opportunity to vacation or simply take a restful break from the everyday demands of providing daily care to a loved one. The program can also provide an opportunity to evaluate the benefits of assisted living at Richfield before making a permanent move. Limited client transportation available. A waiting period is possible. The Vacation and Recovery Stay Program is an affordably-priced private pay option.

The Oaks is a part of Richfield Retirement Community, a not-for-profit community offering options for independent living, assisted living, memory care, skilled and rehabilitative nursing care. Richfield offers three distinct assisted living facilities on one campus: The Oaks, the Joseph C. Thomas Center and Richfield Memory Care and Enrichment Center.
