NARFE (National Active and Retired Federal Employees Association) is the only political, nonpartisan, nonprofit organization protecting and preserving the earned retirement benefits of all federal civilians (current, former, and retired Federal Government employees, including their spouses and survivors). Since 1921, NARFE has been a vital resource to the federal community by informing, educating, and guiding its members to answers needed on issues affecting retirement benefits such

as COLA updates, premium conversion, Federal Employee Health Benefits, Life Insurance (FEHBP), Government Pension Offset (GPO)/Windfall Elimination Provision (WEP), and other national and state legislative issues.

National headquarters is located in Alexandria, Virginia.
