Become a volunteer with the Retired Senior Volunteer Program (RSVP). By volunteering, you can put your skills and life experiences to work. By becoming an RSVP volunteer you can give back to the community and make a difference. RSVP volunteers help to meet community needs and make a lasting difference in the lives of many.

Those at least 55 years of age and older can join the family of nearly half a million volunteers across the nation who are solving problems right in their own communities. To find out more about specific volunteer opportunities contact Karen
