Care Advantage offers a tailor-made approach to in-home care thanks to the wide-ranging talents in the team. While many clients simply need a little bit of extra help – from companionship to help with shopping, cooking, cleaning, dressing, or bathing – some clients need the extensive medical care of a licensed professional or registered nurse.

Respite care is offered as part of in-home care services, enabling a family member or caregiver to have a break from providing care.

Service Area(s)
Danville City

,
Henry County

,
Pittsylvania County
