Brookdale Virginia Beach (formerly Clare Bridge of Virginia Beach Estates) offers Alzheimer's and dementia care for seniors. From the building design to carefully selected staff and specialized programming and management, we focus on the individual needs of each resident and family we serve. Capacity is 60

Whether the resident is in the Clare Bridge program for mid to late stages of dementia or the Solace program for advanced stages, care, and programming are offered by trained staff on site 24 hours a day, seven days a week. Plans are individually customized for each resident and as needs decrease or increase, so does the plan.

Services include a dedicated manager with expertise in Alzheimer's care; 24-hour supervision by specially trained staff; validation and other interventions; a variety of leisure programs seven days a week; assistance with personal care, including bathing, dressing, and grooming; monthly wellness checks; assistance with medications; three meals served daily with snacks available; educational programs and referral services.
