English

Senior Assisted Solutions offers a free service for families needing independent living, assisted living, or memory care placement for their loved ones. First, an in-home assessment will determine the best options for the family. The staff and the family will tour possible communities, making sure the questions and concerns of the family are addressed. Finally, support is available during and after the moving process to make sure the transition is as smooth as possible.

Please call the office for more information.
