Seniors Helping Seniors® Greater Richmond offers transportation to appointments and events. Getting out to visit with friends, attending events, or keeping appointments is great for a senior's mental, emotional, and physical health. When a senior is unable to make trips on their own, our caregivers can provide transportation to doctor visits, beauty salons or barbershop appointments, social functions, family gatherings, and more. Clients must be ambulatory.

Caregivers can also drop you off and pick you up from your appointment.
