The Multiple Sclerosis Foundation, known in the MS community as MS Focus, is a nonprofit organization focused on providing free services that address the critical needs of people with MS and their families, helping them maintain the best quality of life. MS Focus provides the support, education, and assistance needed to adapt to challenging circumstances presented due to MS. The website provides educational materials, treatment options, research grants and programs, awareness campaigns, support groups, advocacy, events calendar, web and teleconferences, fundraisers, and more.
