Angels on Earth Home Care and Transportation offer in-home support care with nursing education services provided by a licensed registered nurse that covers

various topics to include, but not limited to:

- Caregiver role strain
- Diabetes
- Physical exercise in the elderly
- Depression in the elderly
- Fall risk and assessments performed at no additional cost
- Safety assessment guides and assessments performed at no additional charge

Angels on Earth also provides a number of resources on these topics as well as Medicare Coverage, Hypertension, and Medication Management. After a thorough assessment is performed by the Registered Nurse, a Certified Personal Care Aide will be assigned based on the client's needs. AOEHC has an online Care Calculator to aid local and long distance care givers as well as clients on determining the level of care needed to keep themselves or their love one safe while maintaining their independence and living in the comfort of their own home. AOEHC will come anywhere their clients call home:

- Assisted living facilities
- Senior apartment complexes
- Nursing homes
- Private residences
- And more
