Access Williamsburg (AW) is a new program that will allow senior citizens, age 60 and older, and individuals with disabilities, age 18 and older, to call a single telephone number to schedule their transportation in the Greater Williamsburg area (the City of Williamsburg, James City County and the Bruton District of York County). The partnership includes three current transportation providers: The Arc of Greater Williamsburg, Peninsula Agency on Aging and Williamsburg Area Transit Authority.

Please call with as much advanced notice of a needed ride as possible. Rides will be scheduled utilizing professionally trained drivers with wheelchair accessible vans. There may be times that a customer's request cannot be fulfilled. When such times occur, the customer will be contacted to discuss ride alternatives.
