Lake Christian Ministries (LCM) gives emergency financial assistance by providing direct payments to the provider. Assistance may be provided for emergency transportation.

Other financial assistance may be provided for fuel, housing, electrical, medical, prescription, and dental needs. Assistance is also provided and coordinated with other organizations for emergencies such as repair of leaky roof, firewood distribution, and emergency lodging.

In order to be good stewards of the ministry's limited funding and resources, documentation to show a need may be required, so that assistance is provided to those who are most needy.

Please call for more information.
