The Blackstone Area Bus System (BABS) began operations in 2003 within the town of Blackstone. Since then, BABS has overseen the creation or annexation of six (6) public transportation routes resulting in the management of eight routes in total. These routes now service the towns of Crewe, Burkeville, Kenbridge, Victoria, Alberta, and McKenney as well as the Counties of Nottoway, Lunenburg, Brunswick, Prince Edward, Amelia, Buckingham, Cumberland, and Dinwiddie. There are also several route expansions and the creation of a new route being planned or underway.

BABS is committed to ensuring the goal and mission of providing safe, affordable, and reliable public transportation. All buses are ADA accessible. The fleet of vehicles are equipped with wheelchair ramps and we will accommodate people with disabilities as best we can.
