Respite care is offered to primary caregivers and family members, so they can take a break from caring for loved ones. The care of a family member who is sick can be tedious for family members and guardians. Serenity Healthcare Professionals LLC (SHP) mission is to make sure that primary caregivers gain that time to themselves so that they can maintain their well-being while still caring for their loved ones. Respite care hours can be used by primary caregivers whenever needed to avoid exhaustion. Additional languages spoken include Twi, Ga, and Hausa.
