Merry Home Health Care offers personal care that can help with activities of daily living. Assistance with personal care and activities is provided to individuals in their homes, assisted living, nursing homes, or hospitals. Services typically include any or all of the following: personal care (bathing and personal hygiene); assistance with dressing, toileting, eating, ambulation, and range-of-motion exercises; medication reminders; meal preparation; laundry and light housekeeping; and, monitoring vital signs. Respite care, companion care, and private duty nursing care are also

available.

Merry Home Care specializes in providing care to families, throughout Northern Virginia, including live-in and overnight service, from well-screened, experienced, and professional caregivers. Languages spoken include English, Spanish, Amharic, and Arabic.

Each of their licensed, bonded and insured caregivers must pass an extensive interview process, including a national background check before they are hired. The Care Pairing system ensures a good match between your loved one and a caregiver with appropriately matched skills and abilities.
