Lansdowne Heights is an assisted living facility specializing in memory care. The facility is a self-contained safe, secure environment for individuals with cognitive impairments due to a diagnosis of Alzheimer's or dementia who cannot recognize danger or protect their safety and welfare.

The Memory Care team has been specially trained to focus on the unique needs and strengths of the individual resident. The training is accredited through [NCCDP](#)

Dementia affects the entire family. A monthly support group is available to provide access to ongoing educational opportunities and to help understand the disease process.
